Benefits of our prepaid SIM card

Expenses under control

How much you spend on calls, messages or data is up to you. And how much you top up and how often, too. No regular payments.

Just top up once a year

The SIM stays active for 10 months from the last top-up. Then you have another 3 months to recharge it if necessary.

Fantastic Prepaid Bundles

Level up your prepaid SIM! Calling within Vodafone network without a limit? Data and SMS? No problem with Prepaid Value Bundles.
